INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. §1.97(b)

Mail Stop PCT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

November 8, 2005

Sir:

The attention of the Patent and Trademark Office is hereby directed to the documents listed on the attached Form PTO-1449. One copy of each document is attached.

No fee or statement is required in connection with this Information Disclosure Statement, since it is being submitted prior to the last of (1) issuance of a first official action on the merits and (2) expiration of the three month period following filing of the above-captioned application.

Documents UA to UF, FB to FD, DA to DT, DV, DZ to DCC and DHH

are in the English language. Therefore, no concise explanation of the relevance of the documents under 37 C.F.R. §1.98 is believed to be required.

Document FA is not in the English language. However, the concise explanation of the relevance of the document under 37 C.F.R. §1.98 is believed to be satisfied by the submission of an English language abstract thereof.

Documents DU and DDD to DGG are also not in the English language. However, the publications contain English language abstracts. The concise explanation of the relevance of the document under 37 C.F.R. §1.98 is believed to be satisfied thereby.

Documents DW to DY are also not in the English language. However, the concise explanation of the relevance of the document under 37 C.F.R. §1.98 is believed to be satisfied the submission of partial English language translations thereof.

Please note that document DEE is described in the paragraph beginning on page 2, line 19, of the specification of the present application. Documents FA and DFF are described in the paragraph beginning on page 3, line 7.

Documents UA and FB are cited in the international search report of the present application. The relevance of each document is discussed in the International Search report (a copy of the

search report was submitted on June 24, 2005). Please note an Examiner's obligation to consider documents cited in an International Search Report according to the provisions of MPEP §1893.03(g).

The Commissioner is authorized to charge our Deposit Account No. 111833 for any fee which is deemed by the Patent and Trademark Office to be required to effect consideration of this statement.

Respectfully submitted,

KUBOVCIK & KUBOVCIK
